

I am yellow.
I am long
I grow in trees.
Monkeys eat them.

I am green and red
I am round
I am very juicy
You have to cut me open

I am small and red
I grow in trees
I can be sweet and sour
My seed is inside.

I am green and small
But I can be red as well
I grow in bunches
I am sweet

I am brown outside
I am green inside
I have many seeds
My skin is rough

I am yellow
I am not sweet!!
I grow on trees
I can make juice.

You can eat me and
You can drink me
I am juicy
I am orange

I am green
I look like a funny apple
I am sweet,
I grow on trees

I am red and sweet
I grow on the ground
I am good with cream
My seeds are on the outside

I am green
I grow on trees
I have smooth skin
I can make a pie.

FRUIT DOMINOS

- This is a whole class activity that can be done in groups or pairs.
- Students are given a board and the fruit/description and have to match the description to the fruit and glue it to the board
- They go horizontal across the top and the bottom and vertically along the sides.
- When you (or the students) cut out the dominos make sure there is a picture AND a description on the domino (dominos have two sides)
- Make sure the students know how to glue them as sometimes they will stick them all at the top.
- Once they have finished, they can complete the centre part of the board and describe their favourite fruit
- I will add a started version at the bottom. (the board should be printed on A3 and the dominos on A4.)
