

Floating around all in white, seeing me will give you a fright  
Screaming 'Boooo' will scare you the most, because I am a scary...

On the ocean is where I will be. Sailing my big boat so happily. Looking for money everywhere I go, with my one leg and parrot, heave ho!

My long sharp teeth I like to sink into you so I can drink your lovely blood, but you can deal, because of course I'm not real!

Long time a go they put me to rest, in a pyramid we all thought best. Now I woke up and need my tummy, full of something cos I am a mummy!

On the full moon I will prowl, because it is then that I like to howl. Lots of fur and lots of hair, makes me good for a big scare.

On Halloween it's what we do, get a costume and come along to Knocking on doors is fine and dandy, we say these words and get some candy!

Up in the sky, on my broom, laughing loudly like a loon. Big black hat, and small black cat, doing magic as a matter of fact

A big vegetable you have to buy, and then take the insides out to make a pie. Cut out the mouth and some eyes, and it will give people a big surprise!

Eating brains is what I do, so stay away or I will eat yours too. Walking slowly, moaning sickly you can get away by running quickly

Inside your body is where you find me. White, and hard, difficult to see. Made of bones, but not in your belly, without me you would just be jelly!

I float in the air  
I am white and I  
say 'wooooo'  
I can fly

I have a big boat  
and take peoples  
money  
I have a parrot and  
like gold

This can turn into a  
bat  
It likes to drink  
blood. It can come  
out at night.

I have white  
bandages  
I live in Egypt  
I am very very old

This is a person who  
can turn into a wolf.  
It happens when  
there is a full moon.

You say these words  
on Halloween  
People will give you  
candy

This Halloween  
person can fly on a  
broom. They can do  
magic and like black  
cats!

A big orange  
vegetable, you can  
put outside with  
candles and make a  
pie with it.

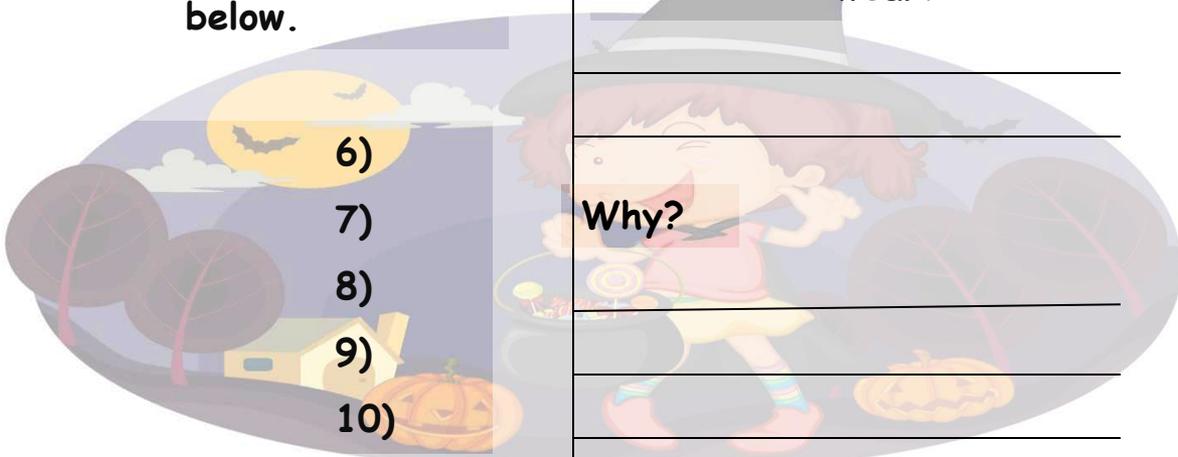

These walk quite  
slowly. They moan a  
lot. They used to be  
people. They are  
green.

Lots of bones make  
this. It is inside you.  
It is white and hard

# HALLOWEEN DOMINOES

- This is a whole class activity that can be done in groups or pairs.
- Students are given a board and the Halloween riddle or description and have to match the description to the Halloween picture and glue it to the board
- They go horizontal across the top and the bottom and vertically along the sides.
- When you ( or the students) cut out the dominos make sure there is a picture AND a description on the domino ( dominos have two sides)
- Make sure the students know how to glue them as sometimes they will stick them all at the top.
- Once they have finished, they can complete the centre part of the board and describe their favourite costume and what Halloween words were there.
- There are two versions here a riddle poem version for more advanced students and a simpler version for younger or beginning learners
- We also have a rubric to show you how it fits together.
- **You should print the dominoes on a4 paper and the board to stick on a3!!!**
- We will have an instruction video on the YouTube site as well.
