

I am a jolly man. I say Ho Ho Ho. I visit on Christmas Eve. I wear a red suit and have a white beard

I am green and grow outside. You can put presents under me. At Christmas you can decorate me.

This is how Santa travels around the world. He puts all the presents in the back and off they go!

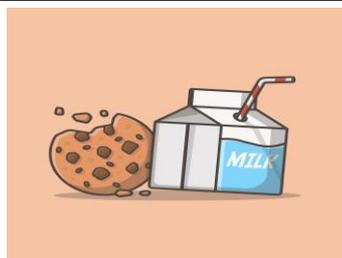

These little guys help Santa to make all the toys. They wrap them up as presents and put them in the sleigh.

You can sing me at Christmas time. We can go to houses and sing these outside. It is lots of fun!

I am put on the fire place. On other days we put feet in them!, but at Christmas I have presents in me.

Even Santa needs a snack when he is working so hard. So we leave this for him to eat as a treat!

Rudolph is the most famous one of these. He has a red nose. Santa has 8 others, do you know their names?

I am a Christmas plant. I have green leaves and red berries. You can put me on the door as a wreath.

Snow isn't everywhere at Christmas, but if it does snow you can get a carrot and some stones and make me!

CHRISTMAS DOMINOES

- This is a whole class activity that can be done in groups or pairs.
- Students are given a board and the Christmas pictures and descriptions and have to match the description to the picture and glue it to the board
- They go horizontal across the top and the bottom and vertically along the sides.
- When you (or the students) cut out the dominos make sure there is a picture AND a description on the domino (dominos have two sides)
- Make sure the students know how to glue them as sometimes they will stick them all at the top.
- Once they have finished, they can complete the centre part of the board and describe their favourite thing about Christmas.
- I will add a started version at the bottom. (**the board should be printed on A3 and the dominos on A4.)**
- **We have also made a video (with the animals version but idea is same!)**
