

I can give you eggs
every morning I say
cluck! I am a bird but
can't fly!

You can get milk from
me for your cereal
and tea. I say moo
and am a big farm
animal.

I can herd sheep and
protect the farm. I
bark a lot and like to
chase the cat! I live
with the farmer

I look like a horse but
am smaller, I eat
grass and live in a
field. I can pull carts
on the farm.

I say quack and live
on the pond. I have
babies called ducklings.
I can swim and fly!

I eat grass and live in
a field. I have two
horns on my head. I
also eat ANYTHING I
can find.

I am the fastest
runner on the farm.
You can ride me and I
say neigh! I look like a
big donkey.

I say oink! I am big,
fat, and sometimes
pink. I have a hard
nose to look in the
mud for food

I have lots of wool, I
say baaaa. I live with
friends in a field and
I like to eat grass

I catch mice on the
farm and like to sit
by the fire. I say

Farm Animal

Dominos

- This is a whole class activity that can be done in groups or pairs.
- Students are given a board and the farm animals/description and have to match the description to the animal and glue it to the board
- They go horizontal across the top and the bottom and vertically along the sides.
- When you (or the students) cut out the dominos make sure there is a picture AND a description on the domino (dominos have two sides)
- Make sure the students know how to glue them as sometimes they will stick them all at the top.
- Once they have finished, they can complete the centre part of the board and describe their favourite farm animal.

- I will add a completed version at the bottom. (**the board should be printed on A3 and the dominos on A4.) The rubric is a little skewed (powerpoint) but the actual printout fits perfectly!**
- I also have a video with instructions on Youtube [here](#) it is for the Wild animals version, but the idea is the same.
