## Scripts for Younger Learners

### Interview with a Movie Star

**Interviewer:** "Hi, [Celebrity Name]! What's your favorite movie that you've acted in?"

**Celebrity:** "Hello! My favorite is 'Super Adventures.' I got to play a superhero!"

**Interviewer:** "That sounds fun! What was your first acting role?"

**Celebrity:** "My first role was in a school play when I was 8 years old."

**Interviewer:** "What do you like doing in your free time?"

**Celebrity:** "I love painting and playing soccer with my friends."

**Interviewer:** "Do you have any pets?"

**Celebrity:** "Yes, I have a dog named Sparky. He's very playful!"

### Interview with a Famous Singer

**Interviewer:** "Hello, [Celebrity Name]! When did you start singing?"

**Celebrity:** "Hi! I started singing at 10 years old in a choir."

**Interviewer:** "What's your favorite song to perform?"

**Celebrity:** "'Brighter Days' is my favorite. It's so uplifting!"

**Interviewer:** "Who is your musical inspiration?"

**Celebrity:** "I've always been inspired by [Famous Singer]. Their music is amazing."

**Interviewer:** "Any advice for kids who want to sing?"

**Celebrity:** "Always practice and believe in yourself. You can do it!"

## **Interview with a Celebrated Author**

**Interviewer:** "Hi, [Celebrity Name]! What inspired you to write your latest book?"

**Celebrity:** "Nature and my travels inspired me. There's so much to see!"

**Interviewer:** "What was your first book about?"

**Celebrity:** "My first book was about a magical garden adventure."

**Interviewer:** "Do you have a favorite place to write?"

**Celebrity:** "I love writing in my garden. It's peaceful and beautiful."

**Interviewer:** "Any tips for young writers?"

**Celebrity:** "Write about what excites you and read lots of books!"

# Scripts for Older Learners

## Interview with a Renowned Actor

**Interviewer:** "Good afternoon, [Celebrity Name]. What's the most challenging role you've played?"

**Celebrity:** "Playing a historical figure in 'The Historical Epic' was tough but rewarding."

**Interviewer:** "How do you prepare for your roles?"

**Celebrity:** "I do extensive research and really try to understand the character."

**Interviewer:** "What's your dream role?"

**Celebrity:** "I'd love to play a character in a classic literature adaptation."

**Interviewer:** "Any advice for aspiring actors?"

**Celebrity:** "Study your craft, and never stop learning. Experience is key."

## Interview with a Popular Musician

**Interviewer:** "Hello, [Celebrity Name]. What drives your creativity?"

**Celebrity:** "Life experiences and stories from people I meet inspire me."

**Interviewer:** "What was the first instrument you learned?"

**Celebrity:** "I started with the piano when I was quite young."

**Interviewer:** "How do you handle creative blocks?"

**Celebrity:** "I take breaks, travel, or try learning something new."

**Interviewer:** "Advice for upcoming musicians?"

**Celebrity:** "Stay true to your style and always keep evolving."

## **Interview with an Influential Scientist**

**Interviewer:** "Good evening, [Celebrity Name]. What's your latest discovery?"

**Celebrity:** "I'm working on new renewable energy sources to help our planet."

**Interviewer:** "What inspired you to become a scientist?"

**Celebrity:** "Curiosity about the world and wanting to make a difference."

**Interviewer:** "What's a typical day like for you?"

**Celebrity:** "Lots of research, experiments, and collaborating with my team."

**Interviewer:** "Any advice for young scientists?"

**Celebrity:** "Stay curious, ask questions, and never stop exploring."
